WEEKLY REPORT FOR PERIOD ENDING 30 DECEMBER 1986

1. Progress Report on Tasks Assigned by the DCI/DDCI:

No tasks assigned during this reporting period.

2. Items or Events of Major Interest that have Occurred During the Preceding Week:

A. DAS

No (1) An IMSS Wang PC was loaned to the FBIS Log Officer on 22 December. This Log Officer is currently being briefed by P&PD on the use of their NOMAD-based supply module. P&PD reports that, with some modification, the supply module will meet FBIS needs.

STAT No (2) The GE barcode contractors are currently obtaining an in-depth knowledge of work processes. They are scheduled to meet with the DDL on 2 January.

B. Planning

No (1) IMSS worked with representatives of several OL divisions and staffs to develop outlines of new OL initiatives for the FY 89/90 program cycle for submission to the DDA Management Staff. A meeting of all OL division and staff chiefs will be held on 30 December to rank the new initiatives. IMSS is preparing ranking guidelines based on instructions from the DDA Management Staff.

C. CLAS

No (1) During the past week the primary activity has been to dismantle the TRW facility that was used to test MSA software. The software has been offloaded onto tapes; the documentation compiled; and all of it put into temporary storage.

No (2) Briefing: DC/IMSS briefed D/OF and C/Financial Systems D/OF on the proposed change of vendors for the CLAS project. D/OF concurred on the proposed change from MSA to Cullinet.
